

Birthdays

Our classroom celebrates birthdays!

Your child is recognized for his/her special day. It is optional for your child to bring a treat on that day. If your child has a summer birthday, we will celebrate it on their half-birthday.

If you choose to send treats, they must be store bought and individually wrapped. There are 22 students in our class this year. We do have a student with dairy allergies.

I ask that you do not send birthday invitations to class to hand out unless everyone is receiving one. This helps to eliminate tears and hurt feelings. Please send the invitations through the mail.
