

Homework

Reading

* Oral Reading

Please listen to your child read every day. Your child will be bringing home a fluency passage each week. It is also important for you to continue reading to your child. This is a great way for your child to hear fluent reading.

* Accelerated Reader (A.R.)

If your child was in A. R. at the end of last year, I will be sitting down with him/her to set a goal for each trimester. At this time, it will primarily be an activity that your child will be doing at home. I give the students a chance to take an A. R. test whenever they are ready. A sheet will be sent back and forth from school to keep you posted on how your child is doing on the tests. I will also be sending home a note from Renaissance Learning which will explain how you can look up your child's AR scores.

Social Studies

* Important Information

Each child should be working on learning their address and phone number.

*7 continents

*Cardinal/Intermediate Directions

Math

* Math Facts

Your child will frequently be taking 2 minute timed tests this year. If you have flash cards at home, please practice with your child. They will also be practicing their math facts on the iPads. When a child is proficient with their math facts, it helps them when they are adding and subtracting 2 and 3 digit numbers.

*Count money

*Telling Time

*Skip Count by 2's, 5's, and 10's to 120

Spelling

- * Monday: Words are introduced. The spelling words follow a phonetic pattern that we will be working on during the week. A word list will be sent home for them to study.
- * Tuesday-Thursday: Practice spelling the words at home
- * Friday: Posttest
